Dear Bruce:

Many thanks for your letter of March 5, 1975, respecting John Barton's proposal. Needless to say, your strong endorsement of the proposed mobile project is very much appreciated and as a result, my office will make positive recommendations to the Minister of Education.

It will be appreciated if Dave Anstey can follow through along with your interest and assistance. The text of his report supported by your letter of endorsement for the project will form the basis for my recommendations.

Thank you for your assistance and cooperation. I personally look forward to seeing you in the near future.

Cordially,

Henry E. Justesen, Superintendent,
Post Secondary Education (Programs).
