Pepper

On Saturday evening, March 21, an All-Star benefit game was held in Creston on behalf of young Harry Peebles, the junior hockey player with the Elk Valley team in the KIJHL who was badly injured earlier this season and has since been confined to a Calgary hospital undergoing therapy to help him get back on his feet.

Our understanding is that he is making reasonably good progress.

The game, which took the form of an all-star contest, had teams composed of players from all the teams in the league, except Trail and Cranbrook, which were engaged in playoffs at the time, ranged in East-West order, opposing one another.

On the East team there were six players from Elk Valley plus Gary Holland, the East coach, five each from Kimberley and Creston while Spokane had four players and Columbia Valley one.

The West team was equally divided between four teams, Grand Forks coach, Gerry Quiring, brought five players from his team plus equal numbers from Nelson, Rossland and Castlegar.

The crowd in the Creston Arena was not really that big

but I understand the proceeds from all sources made the effort a success on Peebles' behalf. The hockey played was excellent with the game ending in a 6-6 tie.

The West scored first and the East tied it to end the first period 1-1; the West went ahead 3-1 and the East came back to take a 4-3 lead but Rosslander Bob Drake's goal at 18:02 got the West back on even terms at the end of the second period and each team scored twice in the third. There were three penalties in the contest, all to the East, one major for high sticking and two minors.

The three stars of the game were John Mercer of Elk Valley, Barry Jones of Nelson and Keith Blair of Spokane. Scoring in the game was handled by Jones with two, Drake, Kelly Sims of Grand Forks, team-mate Todd Rasmussen and Lyle Stoushnow of Castlegar. Allan Perich of Nelson and Rossland's Allan Simm each collected two assists.

For the East it was Tony Travis of Elk Valley with two goals, Mercer, Dana Romano of Creston, team-mate Bob Woykin and Buddy Bodman of Spokane with single goals. Lavern Wiebel of Elk Valley had two assists.

We always hope that accidents like that which chopped down the Elk Valley youngster might never happen, but when they do it's nice to know that someone cares enough to do something like this to help.

Rossland's Minor Hockey awards night was held in the High School Wednesday evening, March 18. President Gary Holm welcomed everyone and after supper the presentations were made.

The Rossland Atoms played in the Trail House League and won the championship. The Pee Wee House League trophies for the most improved and most sportsmanlike were won by Martin Plut and Brad Valentine respectively.

The Tier One Pee-Wee trophy for the most improved was presented to the entire team while the most sportsmanlike went to Kevin Bouchier. In the Bantam Division, Dennis Pighin was judged the most improved and the most sportsmanlike trophy went to Ken Drake.

In the Midget-Juvenile division, both trophies were shared with the most improved going to Gary Burbridge and Tim McNulty while there was a three-way tie for the most sport-

smenlike, Reg Dunstan, Murray Walters and Mark Haynes sharing this honor.

In the Mighty Mite division, head coach Adrian Van-der-Zalm looked forward to next year and wished good luck to the boys moving up to the Atoms.

The Krest Memorial Sportsman Trophy was shared this year by Tim McNulty and Gary Burbridge. While presenting the trophy, Albert Krest wished the West Kootenay champs in Tier One good luck on their trip to Fort St. John in quest of the provincial crown.

A thank-you card was read from Greta Cox for Minor Hockey's recognition of her years of service to the organization. Jim Schuck, referee-in-chief, thanked all who helped in officiating in Minor Hockey games.

Past president Geoff Davies thanked all the minor hockey personnel and president Holm added his thanks to everyone.

John Habicht, who is active in quite a number of fields of sport, passed along the following: the general meeting of the Slow-Pitch organization will be held in the Curling Lounge at 7 p.m. Monday, March 30. Anyone wanting to join up should phone John at 362-5637.

Minor Soccer registrations will be accepted Wednesday

be picked up at the schools or at the Recreation Office in the arena.

To curling now. The Business Girls are finished and standings in the final competition show Irene Dunlop the winner with Vi Krest and Beryl Davis running second and third after a showdown. The girls will hold a windup party at the Uplander Monday, March 30 with a social hour in Salon L at 6:30 p.m. and supper to follow at 7 p.m. We hope it is a fitting closing to a good season.

The Legion One-Day Spiel was held Sunday last and, I think, was enjoyed by most of the participants. I guess I enjoyed it more than some because I was on a winner. Phil Bateman, Charlie Amos, Bart Dudley and I can come through unbeaten in the "A" side while Chuck Wyatt, Mike Kraftchick, Sev Catalano and Herbie Castle did the same thing in "B".

I would like to pay tribute to all those Branch and LA members who did such an excellent job of satisfying the hunger and thirst of those taking part as the sandwiches and stew were fabulous. I never cease to marvel at the way these ladies prepare food, it's always absolutely tops.

In closing, my congratulations to the Trail Junior Smoke Eaters for their very convincing win in

In closing, my congratulations to the Trail Junior Smoke Eaters for their very convincing win in the playoffs with a special word to Dan McFarland for earning that MVP award.

We also wish them luck in their final series against either Seattle or Victoria.
